- B. Notification - If the Superintendent will be recommending the layoff of any employee(s) he/she will so notify the employee and Association at least sixty (60) days before the proposed effective date of the layoff. If the layoff is to become effective as of the first day of the following school year, the Superintendent will notify the employee and Association by April 15. Such notice will be in writing and will include the specific position(s) to be affected and the specific reasons for said reductions.
- C. Layoffs - When a position is to be eliminated and when more than one employee is teaching in the specific area and classification category which is being reduced then the employee to be laid off will be determined by the following procedures:
1. First - Those employees with emergency or temporary certification.
  2. Next - Fully certified but employed on a part-time basis.
  3. Seniority and classroom evaluations by the building principal will be used next. When seniority is not the deciding factor written statements explaining the reasons will be given to the employee.   4. When the above conditions have not determined who is to be laid off it shall be done by drawing lots.

  4. Notification of intent to "bump" another employee must be given to the Board within five school days after receiving the notice that the Superintendent is recommending that the employee's position be reduced under this article. No "bumping" may be initiated after April 30th of the present school year.

- E. Recall Any employee laid off pursuant to this policy shall have recall rights for two years from the date of the termination notice.
1. Title I teachers shall have recall rights only for Title I positions.
  2. When more than one laid off employee is eligible for recall, the position shall be offered to the employee that had the most seniority at the time of being laid off provided the employee is qualified for the position, with "qualified" meaning previous teaching experience within the category of classification (Paragraph D.5) and subject area in the jr. and sr. high within the last three (3) years.

3. **Posting** - As soon as practical the Superintendent shall post in each school a list showing names of all employees who have been reassigned or transferred and the nature of such reassignment or transfer.
4. **Procedures**

A continuing employee shall be formally evaluated a minimum of one (1) time every third year and observed a minimum of one (1) time each year. The evaluation will be preceded by at least two classroom observations. An evaluation conference will be held and signed copies of the evaluation will then be provided to employee, principal, and employee's personnel file.
